OPAWA

PINOT NOIR ROSÉ 2026

WINEMAKER'S REMARKS

This wine has a bright, light salmon color with a charming nose of strawberries, fresh apples and almond blossoms. It leads into mouth-filling ripe fruit flavors and a smooth textural palate. The finish is fresh, clean, and moreish. Opawa Rosé is a dry wine that is perfect as an apéritif or as an accompaniment to fresh summer cuisine.

VITICULTURE & WINEMAKING

Opawa Rosé is made from Pinot Noir grapes grown on selected stony sites in close proximity to the winery. The fruit is de-stemmed and pressed to release a hint of colour before fermenting in stainless steel tanks. The wine was bottled in July 2026.
