PINOT NOIR 2023

WINEMAKER'S REMARKS

A vibrant and expressive Marlborough Pinot Noir. The nose reveals lifted aromas of dark cherries, redcurrants and rose petals, layered with hints of clove and savoury spice. The palate is silky and refined, showcasing ripe red fruit, fine tannins and subtle earthy undertones. Bright acidity provides freshness and balance, leading to a long, graceful finish.

VITICULTURE & WINEMAKING

This wine was made from selected premium vineyards in our dedicated Pinot Noir Cellar using principles of minimal handling and gravity flow. After a cold soak and indigenous fermentation, the wine was pressed into French oak barriques for maturation, before being clarified and bottled in February 2024.
